we are it's November 9 2017
7 months later. which was suppose
to be ruled on months ago.
They never responded to my
motion. So at what point do they
be held accountable for their
actions? MR. Frank this is a lack
of Due Dilligence on their part.
Because I already ask that
this Financial management course
be waive months ago. noone responded,
so I'm asking that this Discharge
be granted. I feel I've done
what I could to satisfy the
requirements 11 U.S.C. 109 (H). you
stated that I must establish he lacks
access, by telephone or internet,
due to constraints placed on him
by the Department of Corrections,
MR. Frank in order to do this
it has to be done by a private
phone we don't have that as inmate
or a private computer. These officials
here won't just let me do this. you
would have to contact them to have
this done, or waive it. Thank you
for your time on this matter.

Certification About A Financial
Management Course

I would like to file a motion to ask that the financial management course certification of completion be waived. Because I'm incarcerated and if it requires any part that has to be done by phone. I will not be able to get it done because these people here would have to be notified that I need to use the phone. or if it's just a form 423, can you please send me the form to fill out?

But if possible I'm asking for the court to have this waived if it has anything to do with the phone. Thank you for your time on this matter over
